

10-year Study Conduct Experience

| <u>Outpatient Studies:</u> | <u># of Studies:</u> | <u>Inpatient Studies:</u> | <u># of Studies:</u> |
|--------------------------------------|--------------------------|--|--------------------------|
| Infectious Disease: | | Infectious Disease | |
| - Exacerbation of Chronic Bronchitis | 18 | - Community Acquired Pneumonia | 19 |
| - Influenza | 2 | - Skin and Soft Tissue Infection | 16 |
| - Herpes Labialis | 3 | - Nosocomial Pneumonia | 14 |
| - Community Acquired Pneumonia | 3 | - cUTI | 4 |
| - Sinusitis | 5 | - Intra-abdominal Infection | 3 |
| - Upper Respiratory Infection | 1 | - C. difficile Associated Diarrhea | 7 |
| | | - Endocarditis | 1 |
| | | - Diabetic Foot Ulcer | 1 |
| | | - Fungal Infections | 4 |
| | | - Neutropenia | 2 |
| | | - Esophageal | 1 |
| Cardiology | | Critical Care | |
| - Hypertension | 8 | - Severe Sepsis | 34 |
| - Post Acute Myocardial Infarction | 1 | - Line Sepsis | 1 |
| - Hypercholesterolemia | 2 | - SIRS Shock | 1 |
| - Atrial Fibrillation | 1 | - Severe CAP | 2 |
| Endocrinology | | Trauma/Emergency Medicine | |
| - Diabetes Type 2 | 4 | - Stroke | 3 |
| - Peripheral Vascular Disease | 1 | - Traumatic Brain Injury | 5 |
| - Weight Loss | 1 | - Opioid Induced Nausea | 1 |
| Gastroenterology | | Pulmonology | |
| - Erosive Esophagitis | 5 | - Acute Respiratory Distress | 5 |
| - GERD | 12 | - Acute Asthma Exacerbation | 1 |
| - IBS | 3 | - Pulmonary Embolism / DVT | 6 |
| - Ulcerative Colitis | 4 | | |
| - H. pylori | 1 | | |
| - Crohn's Disease | 2 | | |
| Immunology | | | |
| - HIV | 6 | | |
| Pain Management | | | |
| - Osteoarthritis | 6 | | |
| - Migraine | 9 | | |
| - Acute Ankle Sprain | 2 | | |
| - Acute Low Back Pain | 2 | | |
| - Acute Muscle Spasm | 1 | | |
| - Opioid Induced Constipation | 4 | | |
| Pulmonology | | | |
| - COPD | 17 | | |
| - Asthma | 4 | | |
| - Endobronchial Valve Device | 1 | | |
| Urology | | | |
| - Prostate Cancer | 4 | | |
| - Overactive Bladder | 2 | | |
| - Prostatic Intraepithelial Neoplasm | 1 | | |
| - Benign Prostatic Hyperplasia | 1 | | |
| | | Total number of completed trials: | 268 |
